Technogel®
Living

At Technogel Living
we recognize that life is more
enjoyable when everything,
even the most simple and
mundane tasks, can be done
in comfort.

That's why we have developed
a range of *life-comforting*
products to make the everyday
that little bit more enjoyable.
From sitting, to kneeling, to
walking and exercising—
we make living easy.

How we are redefining living

Technogel® is an unique “soft solid” material, that joins together the 3D deformation of a fluid and the memory shape of a solid. It’s a completely non-toxic and stable polyurethane substance (made without using oils or plasticizers), first developed for the medical field and now used in a wide range of applications, always exploiting the added value of comfort it provides.

Today we use Technogel® for many different applications from art projects to sleeping to seating. To discover more visit:

Seating Supports

Seat Pads

At the heart of every
Seat Pad and Travel Pad

Seat Pad
Size: 16x16x2 inches
(One Size)

Ideal for anyone who sits for extended periods. The Technogel Living Seat Pad helps to relieve compression of the tailbone region and supports proper posture. Combined with recommended periodic 2-minute breaks, this Seat Pad will help to keep you feeling relaxed and tension-free.

Travel Pad
Size: 13x9x2 inches
(One Size)

Includes all the same benefits of our standard Seat Pad, but with the added advantage of being portable—so perfect for those long journeys, or for providing added comfort on the go.

At the heart of every
Lumbar Support

Lumbar Support
Size: 12x10.5x2 inches
(One Size)

Enjoy superior back support and muscle relaxation whether you're in the office, at home, or on the road. The Technogel Living Lumbar Support helps to reinforce your spine's natural curvature so that prolonged sitting no longer means discomfort and strain in your lower back. Combined with recommended periodic 2-minute breaks, you can sit relaxed and tension-free.

All Support Pads
Include the following key benefits

- Pressure relieving
- Hypo-allergenic
- Memory foam base
- Durable, washable cover
- 3-year warranty
